The terms Board and AHEM shall include authorized officers, representatives, and agents. Despite references herein to Board and AHEM as such, each reserves the right to act hereunder by designated representatives.

ARTICLE II  
LAWS, RULES AND REGULATIONS

The parties agree to abide by the State and Federal Laws, rules established by the Minnesota Department of Education and reasonable rules and regulations established by the Board. Such Board rules and regulations will not be in conflict with this Agreement.

ARTICLE III  
DEFINITION

Section 1. The term “teacher” shall mean any person employed by the District in a position for which licensure is required by the Board of Teaching or the Minnesota Department of Education, or in a position of physical therapist or occupational therapist, audiologist, American Sign Language teacher, social worker, school nurse, school psychologist, except superintendent, assistant superintendents, confidential employees, principals and assistant principals and others who devote more than 50% of time to administrative or supervisory duties, and an individual who renders part-time teaching service for less than 300 hours in a fiscal year as an instructor in an adult vocational education program.

The term “teacher” shall include an employee hired by the Board to replace an absent teacher for more than 30 working days, and an employee hired by the Board for a teaching position created by increased enrollment, curriculum expansion, courses which are a part of the curriculum whether offered annually or not, or other appropriate reason.

Job Sharing: The term job sharing shall mean the practice of two (2) **teachers** employed by the District to share a full-time teacher position. The following conditions shall apply:

Subd. 1. Eligibility: A request to job share must be submitted to Employee Services prior to March 1st of each year. Teachers assigned to job sharing must be tenured and must be able to assume full-time positions if vacancies occur in the other portion(s) of their job share positions. The District shall have the right to request as a condition of assignment, that tenured part-time teachers waive their rights to full-time tenure in the event that their job-share positions become full-time positions created by unforeseen vacancies in the other portions of their assignments.

Subd. 2. Job Share Agreement: All teachers assigned to job share positions will sign an agreement with the District defining their employment and specific duties for the duration of their assignments.

Subd. 3. Renewal: Job shares are approved on a one-year-only basis and may be renewed on a yearly basis by agreement of the teacher, principal, and Employee Services Department.

Subd. 4. Duties: Duties will include shared responsibilities for service normally provided by full-time contracted teachers, including service on all District-defined student days and additional service on such non-student days (conferences, workshops, in-service planning days, etc.) as mutually agreed. Service of job share partners must be scheduled to permit coverage of the full assignment.

Subd. 5. Incumbency: It is understood that for District approved job shares for teachers from different buildings, each teacher's entitlement will be within the building in which the job share takes place based on the teacher's contract entitlement which immediately preceded the job share. Therefore, when the job share ends, each teacher will have his/her contract entitlement within the building to the extent their District seniority and licensure hold and the current Working Agreement language shall apply during the staffing process.

Subd. 6. Compensation and Benefits: Compensation for each teacher participating in the job share will be based on the rate established in the teachers' Working Agreement for that teacher's appropriate lane and step on the teacher salary schedule. Days of service in this assignment will accrue toward future salary step advancement as defined in the teachers' Working Agreement. For purposes of employee benefits, the position will be allocated the equivalent of one full-time position to be divided between the teachers serving on a part-time-basis in accordance with their defined duty schedule. Sick leave and other leaves are available on a pro-rata basis rounded to the nearest half day.

#### Section 2. Full-year Teacher

A full-year teacher shall be defined as teaching at least 187 days or having at least 1340 hours of employment.

#### Section 4.

Section 10. Teachers shall not be disciplined, reprimanded, reduced in rank or compensation without just cause. Whenever possible, the supervisor will discuss with the teacher those activities of the teacher which would normally lead to a written disciplinary action and shall offer suggestions for correction. A copy of the written disciplinary action shall be given to a teacher before it is placed in the personnel file.

Teachers shall be entitled to have an AHEM representative present at an investigatory interview which the teacher reasonably believes might result in a record of disciplinary action against the teacher. Such a meeting must be held within 48 hours after the teacher is notified.

If the District takes action to suspend or discharge a teacher, the District shall notify the teacher in writing with specific reasons. When it is necessary to remove a teacher from the classroom, the teacher shall receive immediate oral notification of the reason(s) for the action followed promptly by written notification.

A teacher may pilot a program in the classroom with District approval and the District would have the option to purchase the program at cost.

Section 17. Committees: Teachers shall be offered representation on each District-wide advisory committee. A majority of those teachers will be appointed by the exclusive representative and shall be a part of the recommendation-making process of the committee. Should the exclusive representative fail to appoint teachers as per this provision, appointments may be made by the administration.

Section 18. Site-based Decision Making: The District and its employee organizations will work together to implement site-based decision making in Anoka-Hennepin schools. The District shall comply with the provision of the federal Family and Medical Leave Act. Teachers shall receive insurance benefits and leaves under the federal Family and Medical Leave Act or under the contract at the teacher's option.

Section 1. Parental Leave: A parental leave is defined as an unpaid leave of absence for the period of time a teacher intends for the convenience and comfort of the teacher as well as the care of the child. Subd. 2. As part of District staffing processes, teachers may request extension of parental leaves, with notification to Employee Services by March 1. Section 1. Full-time teachers will be granted 12 days leave of absence **accrued and recorded on a per pay day basis over 22 (twenty two) pay days** for personal illness, serious illness of a member of the immediate family or on account of death of a member of the immediate family. The immediate family shall include husband, wife, children, mother, father, sister, brother, grandparents and in-laws of similar degree of relationship.

Subd. 1. The 12 days allowed include personal leave, under Section 2 of this Article.

Subd. 2. The 12-day allowance will be granted at the beginning of the school year; however, a teacher may only use sick leave earned to date when going on an approved leave.

Subd. 3. A full-time teacher employed during the school year shall be granted twelve (12) full days of sick leave. Teachers with job share and teachers with part-time contracts will be granted pro-rata days of sick leave; however, part-time teachers in the Student Support Programs, Supplemental Programs or Alternative Programs not on continuing contract who work less than 536 hours per school year are not entitled to sick leave.

Subd. 4. Teachers terminating employment during the school year shall be required to reimburse the District for sick leave days taken but not earned.

Subd. 5. Sick leave shall accumulate to an unlimited amount.

Subd. 6. Sick and personal leave may be taken for a full or one-half day.

Subd. 7. Teachers who have accumulated thirty (30) days of sick leave and who use less than half of the year's allotted sick leave may cash in up to five days (six (6) days for teachers with less than 10 years seniority) of unused sick leave in June of each year, such days to be exchanged at a rate of **\$136.00** for **2007-08** and **\$138.00** for **2008-09** per day by notification to the Labor Relations/Benefits Department.

Teachers who have sold days to the District, and due to serious illness(s) have used their reserve, may purchase days from the District at a rate of **\$136.00** per day for **2007-08** and **\$138.00** for **2008-09** to the limit that they have sold.

Subd. 8. Upon the District's initiative removing a teacher from his/her assignment, the teacher's sick leave days may be deducted for the time period necessary to obtain an appropriate health professional review/assessment regarding the teacher's physical or mental health to perform his/her job. Days deducted shall be credited back in the event the assessment determines the teacher was able to perform his/her job during the time period to obtain the assessment.

For a teacher who is out on sick leave or returning from a leave of absence, the credit back of sick days is not applicable for the time period necessary by the District to address the teachers' ability to perform his/her job which includes the assessment of medical information or the necessity of accommodation. Both the District and teacher recognize that reasonable efforts to expedite the process is in the mutual interest of both parties.

Section 2. Personal Leave and Seniority Days: Three non-cumulative personal leave days deducted from sick leave shall be granted each year at the teacher's discretion. Teachers with 10 years or more seniority may request one additional personal leave day on a first-requested, first-granted basis to be deducted from their accumulated sick leave. The following guidelines shall be followed:

Subd. 1. No more than 7% of teachers within a building or program may take personal leave or their seniority day on a given day.

Subd. 2. Personal leave may not be taken the first five (5) days of the school calendar year, or the last five (5) days of the school calendar year, and, commencing on May 1 and continuing until the end of the school year, no more than five percent of the building staff may take personal leave or seniority day on Mondays (Tuesday of Memorial weekend) or Fridays except in emergency situations.

The 10 year seniority day may be used in the first five (5) days or the last five (5) days of the school calendar year but is limited to the percent limitations within the building.

Subd. 3. Only one personal leave day and the seniority day may be taken adjacent to a scheduled break without a substitute deduction. If additional personal leave days are requested adjacent to a scheduled break, the teacher will be required to pay the rate of **\$136.00** per day for **2007-08** and **\$138.00** per day for **2008-09** for the days taken regardless of whether a substitute is actually hired. Teachers and/or principals do not have discretion to arrange days during an extended break for the purpose of avoiding a substitute deduction.

Subd. 4. Teachers may request personal leave days on a first requested, first-granted basis. In cases where two or more teachers submit their requests at the same time and the building's 7% or 5% would be exceeded, district-wide seniority shall be used to break the tie (the most senior teacher shall be granted leave).

Subd. 5. A five day notice shall be given, except in emergencies when a phone call to the principal shall be made. Notice is a filed, signed Teacher Personal Leave Form.

Subd. 6. Principal/Supervisors have discretion to approve or deny requests for exceptions to the personal leave day limits established in Subdivisions 1, 2, 4, and 5 of this section.

Subd. 7. If a teacher takes three (3) personal leave days (excluding seniority day) pursuant to this section, he/she shall not be eligible for the sick leave buy back that year. Teachers may take two (2) personal leave days and the seniority day and still be eligible for sick leave buy back.

Section 3. Absence without pay may be granted by the Principal or the teacher's immediate supervisor at the discretion of the Principal or immediate supervisor. Written notification of the response must be provided within three (3) days following receipt of the request by the Principal.

This reimbursement shall be paid on the condition that the teacher returns to teach in District No. 11 during the year immediately following the year of leave. Absent extenuating circumstances, the District shall not consider extended leave requests for teachers who are currently scheduled to return from other leaves of absence. Teachers who take a teaching position in another Minnesota school district while on an extended leave shall be deemed to have voluntarily resigned their employment in the District and will therefore be subject to termination.

Section 13. Except for Organization Leaves set forth in Section 3 of this Article, any combination of leaves of absence (excluding disability) and/or voluntary contract reductions may be approved up to a maximum of five (5) consecutive years.

## ARTICLE XVI

### POSTINGS & TRANSFERS

Section 1. The Board shall post known vacancies as they open during the year. In the spring of each year, the Board shall determine the number of authorized positions for the following school year. New positions created or open positions available after placements of all continuing contract teachers returning from leaves of absence, shall be posted. Official postings will be at the Educational Services Center. To the extent possible, copies will be posted at each building and will be made available on the 'job line', and/or the web site.

Subd. 1. Teachers may apply for any posted opening for which they are licensed.

Subd. 2. Internal applicants will be considered before outside applicants are interviewed.

Subd. 3. Teachers returning from the following leaves of absence will return to their same position or a comparable position in the same building if available: maternity leaves, medical leaves of absence less than the school year, FMLA leaves, sabbatical leaves, parental leaves less than the school year.

Subd. 4. Teachers who have notified the School District by March 1 of their intent to return for the following school year from the following leaves of absence will be placed in positions for which they are qualified, hold a license, and have taught with the following priorities: organizational and medical leaves of absence greater than the school year, parental leaves of absence greater than the school year, personal leaves, educational leaves, 5-year leaves of absence.

Subd. 5. Teachers on Special Assignment (TOSA): Effective July 1, 2002, for staffing purposes, teachers who will no longer be in a District assigned TOSA position and have been in a District TOSA position for five school years or less will be placed back to their building/program assignment which preceded the District TOSA position; **if a teacher has five or less school years and not previously employed in the District, he/she will be assigned to a vacancy;** if a teacher has been assigned to the District TOSA position for more than five school years, he/she will be provided choices from posted vacancies as set forth in Section 2, Subd. 2 and 3 of this Article.

Subd. 6. Administrative Interns: Teachers hired as administrative interns shall remain in the building/program following the end of the assignment unless mutually agreed to do otherwise.

#### Section 2. Involuntary Transfers

Subd. 1. Involuntary transfers due to discontinuance of positions, lack of pupils, financial limitations, merger of classrooms due to consolidations of School Districts, school pairing, District reorganization, or new building construction shall be based on total District seniority. If it becomes necessary to transfer teachers

due to any of the above conditions, the reduction within a school building will be accomplished by the teacher with the least seniority in the following manner:

Elementary School - license area K or K - 5  
Middle School - subject (license) area or 6th grade  
High School - subject (license) area

If it becomes necessary to transfer other teachers not specifically assigned to one of the above categories and/or buildings, the reduction shall be done according to the same criteria. Special education speech clinicians with an assignment of .6 or greater and special education high school psychologists with an assignment of .6 or greater assigned to buildings will be considered to be part of the building staff; all other special education itinerants are staffed and assigned at the discretion of the District.

This process covers continuing contract teachers who are involuntarily transferred prior to June 30. Teachers who are involuntarily transferred will be notified by July 1 of their assignment for the following school year, unless a later date is mutually agreed upon by the teacher and the appropriate associate superintendent.

Subd. 2. All continuing contract teachers who are to be involuntarily transferred shall complete a District form, which prioritizes three choices from the list of officially posted vacancies. The preferences shall be within the field of licensure in which the teacher is currently or has been previously employed within the District. The District shall make a good faith effort to list all available vacancies. Interviews are not required, but interested teachers may contact building principals for information about any of the posted openings.

Subd. 3. Involuntarily transferred teachers shall be placed in positions before voluntary transfers or outside applicants are interviewed, unless there is mutual agreement between the District and Union to delay the decision.

Subd. 4. If a tie in seniority should occur between two or more teachers, the tiebreaking criteria set forth in Article XVII, Section 3, shall be followed.

Section 3. Voluntary Job Transfer Request: Teachers who wish to be considered for other positions in the District shall notify in writing the principal of the building to which they are seeking transfer with a copy to the Employee Services Department. This should be done both for positions that are currently open and for positions that may open in the future. Requests for transfer shall be considered by the Principal(s) involved.

Qualifications for the position will be the major consideration. If the qualifications are equal, seniority will also be an important factor. Once all full-time teacher applicants have been considered, part-time licensed teacher applicants for transfer shall be considered. The following factors shall be included in the process:

Subd. 1. Notification

A. Notification of receipt of transfer request must be made to the applicant within five working days of District receipt.

B. Notification of hiring decision must be made to all teachers interviewed and to AHEM within ten working days of the decision.

Subd. 2. Interviews

A. Teachers who have had continuous contracts in the District of eight (8) years or more without a voluntary transfer within the last eight (8) years and who request specific positions shall be interviewed. In that request, teachers have the responsibility to document years of service.

When specific positions are posted, internal applicants will be considered before outside applicants are interviewed.

Subd. 3. Teachers who drop their license in the subject area they are teaching and have a valid license in another subject area will be considered voluntary transfers prior to July 1. After July 1, the School District will place the continuing contract teacher in a position pursuant to their license, contract entitlement, and seniority.

Section 4. Interschool Exchange Transfer: A teacher wishing to transfer to another building may notify the District, through the building principal, of his/her desire to do so. Teachers may contact other teacher(s) interested in exchanging teaching assignments. If an agreement can be made by two teachers, the principals involved and the appropriate associate superintendent, a transfer takes place.

Section 5. Administrative Transfer

Subd. 1. Administrative transfer of a teacher may be initiated to improve the teacher's working conditions. The assignment shall be mutually agreeable to the associate superintendent, the building administrators, the teacher and AHEM.

Subd. 2. Administration reserves the right to transfer a teacher from one building to another when a vacancy exists which is .6 or less and a teacher in need of placement for the same amount of time is available.

Section 6. Middle School Alternative Site Voluntary Transfers: Teachers who obtain positions at Middle School Alternative Sites, pursuant to District posting and hiring staffing processes, will be treated as if on a leave of absence from their current building. As such, in the event the teacher chooses to return to the same building that they were in prior to the move to the alternative site, the teacher shall be offered the same position (or if not possible, a comparable position) based on seniority and licensure in their original building.

As with normal staffing processes, prior to March 1st of the relevant school year, the teacher must inform Employee Services of his/her intentions to return to his/her original building for the following school year. However, rights to return to the previous building will be limited to two school years.

Section 7. Teachers may request a voluntary contract reduction when seeking another position under this Article; such requests are subject to District approval. For future staffing purposes, the teacher will be assigned to a position, pursuant to his/her license, contract entitlement, and seniority, within the building /program to which he/she has transferred.

ARTICLE XVII

UNREQUESTED LEAVE

Section 1. The School Board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of Districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the Board shall be governed by the following provisions:

Subd. 1. The Board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

Subd. 2. Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed in the inverse order in which they were employed by the School District. In the case of merger of classes caused by consolidation of Districts or in the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable;

Subd. 3. Notwithstanding Subdivision 1 and 2, if either the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights or the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority would place the District in violation of its affirmative action program, the District may retain the probationary teacher or the teacher with the lesser seniority;

Subd. 4. Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been given leaves of absence or, if not available, to other available positions in the School District in fields in which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

Subd. 5. Part-time teachers have seniority rights to the limit of their assignment. The District shall not be required to create part-time positions from existing full-time positions. However, if there is only a full-time position available when the part-time teacher is eligible for placement and the part-time teacher is licensed for that position, the full-time position shall be offered to the part-time teacher. This right to a full-time position is open only to part-time teachers on contract and does not apply to hourly rate teachers as defined in Article X, Section 7 of this contract. Hourly rate teachers shall be on the seniority list and be entitled to an hourly assignment equal to their maximum level of employment in the District pursuant to agreed-upon guidelines. If a part-time contract position becomes available for which the hourly rate employee is licensed and makes application, the employee shall be considered for the part-time position.

Subd. 6. No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the School Board within 15 days of the date of notification that a position is available to the teacher, that he/she may return to employment and that he/she will assume the duties of the position to which appointed on a future date determined by the Board;

Subd. 7. A teacher placed on unrequested leave of absence may engage in teaching or any other occupation during the period of this leave;

Subd. 8. The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of credit for previous years of service;

Subd. 9. The unrequested leave of absence of a teacher who is not reinstated shall continue for a period of five years after which the right to reinstatement shall terminate;

Subd. 10. The same provisions applicable to terminations of probationary or continuing contracts in Minn. Stat. § 122A.40 Subdivisions 5 and 7 shall apply to placement on unrequested leave of absence;

Subd. 11. Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible. Any teachers on leaves of absence whose position on the seniority list will necessitate being placed on unrequested leave of absence will be notified by the Board.

Section 2. Seniority lists shall be established by the following procedures:

Subd. 1. Seniority in the District shall be computed on the basis of a teacher's continuous employment from the first day of actual work with the District.

Subd. 2. Teachers shall continue to accrue seniority while on Board approved leaves (with the exception of long-term disability after one year).

Subd. 3. Only service during normal school day, as defined in the Working Agreement, will count toward seniority.

Subd. 4. Teachers leaving the teachers' bargaining unit, but remaining an employee of the District, shall retain but not accrue seniority as a teacher.

Section 3. Tie Breaking: If a tie in seniority should occur between two or more teachers, the following criteria shall be used sequentially to determine the order of placement on unrequested leave of absence or recall:

Subd. 1. In the event of a tie in seniority, a full-time teacher for the school year as defined in the Working Agreement shall have seniority over a part-time teacher. Part-time teachers shall have seniority over other part-time teachers to the degree of their assignments (i.e. three-fourths over half-time).

Subd. 2. In the event of a tie in contracted time, the teacher having the higher current step placement on the salary schedule shall be more senior;

Subd. 3. In the event of a tie in step placement, the teacher having the higher lane placement on the salary schedule as of the effective date of the updated seniority list set forth in Section 4, Subd. 1, of this Article shall be the most senior.

Subd. 4. In the event of a tie in lane placement, the teacher with the largest last four (4) digits of the Social Security Number shall be the most senior.

Subd. 5. In the event a tie still remains, the District and AHEM shall meet and negotiate a tiebreaker for the parties involved.

Section 4. Seniority Lists:

Subd. 1. The School District shall maintain a seniority list which shall be updated yearly by February 15 of each year.

Subd. 2. Such list will include the following information:

1. Teacher's name
2. Teacher's first day of work in School District No. 11 (excluding pre-service orientation, but including Teacher Workshop)
3. Teacher's current teaching assignment
4. Teacher's license number
5. Areas in which teacher is fully licensed by the Minnesota Department of Education.

Subd. 3. A copy of the most current list in Section 4, Subd. 2, above will be provided to AHEM and to each building.

Section 5. Access to Benefits: Teachers placed on unrequested leave will continue to have access to all benefits available to teachers on other leaves of absence, with costs to be borne by the teacher.

## Section 6. Recall and Termination of Rights

Subd. 1. As positions for which they are licensed become available, teachers shall be recalled to employment in the inverse order of layoff, provided, however, that no full-time teacher shall be required to accept recall to less than a full-time position.

A teacher may accept a recall offer for a contract of less than the amount of time for which previously employed and continue to retain the right to recall to a position equal to the amount of time for which previously employed.

Subd. 2. Part-time teachers on unrequested leave of absence have recall rights to a position equal to the amount of time for which they were previously employed. This provision does not require the District to create part-time positions from existing full-time positions. However, if there is only a full-time position available when the part-time teacher is eligible for recall and the part-time teacher is licensed for that position, the full-time position shall be offered to the part-time teacher. This right to a full-time position is open only to part-time teachers on contract and does not apply to hourly rate teachers as defined in Article X, Section 7 of this contract. Hourly rate teachers shall be on the seniority list and be entitled to an hourly assignment equal to their maximum level of employment pursuant to agreed-upon guidelines. If a part-time contract position becomes available for which the hourly rate employee is licensed and makes application, the employee shall be considered for the part-time position.

Subd. 3. Notification of recall shall be by registered delivery mail with return receipt requested.

Subd. 4. Notification shall be to the last known address provided by the teacher to the office of the Employee Services Department.

Subd. 5. Teachers shall have up to fifteen (15) days from the date of receipt of notification or recall during which to notify the Employee Services Department in writing of their intent to accept the Board's offer of reemployment or to indicate in writing their intent to waive their option to be reemployed in the position offered.

Subd. 6. If a teacher waives his or her right, reemployment in the position offered, the position shall be offered to the teacher with the next greatest seniority, provided that teacher is licensed for the position.

Subd. 7. Any teacher who refuses four recall offers shall be considered to have voluntarily removed his or her name from the seniority list, provided, however, that a teacher may refuse recall to a position which is not equal to the amount of time for which the teacher was previously employed. Such refusal shall not count as a refusal to recall for purposes of this subdivision.

Subd. 8. The right to recall shall cease with the retirement of the teacher.

Subd. 9. A teacher may by prior designation waive recall to specified positions. Such waiver will not count as a refusal to recall for purposes of this section.

## ARTICLE XVIII

### RETIREMENT

All teachers hired on or after July 1, 1994 are not eligible for Section 1. Severance.

Section 1. Severance: Eligible teachers who notify the District of intended retirement by March 1st of the relevant school year will qualify for a payment of up to 103 unused sick days times the teacher's daily rate of pay (and less any District contribution to a matching 403(b) plan as set forth in Section 2. 403(b) of this Article). Upon retirement of part-time teachers, pro-rata days of sick leave accumulated will be converted to full days of sick leave prior to the application of the severance and health insurance provisions, if eligible.

Eligible teachers must have a seniority date prior to June 30, 1994, ten years seniority, and ten years active service on contract in the District, eligible for a Minnesota State retirement pension, and the total potential District contributions for an eligible teacher under Section 2. 403(b) of this Article has not exceeded \$35,000.

Subd. 1. The severance payment shall be made as a lump sum payment upon retirement **to the District's Special Pay Plan in accordance with Plan documents, Federal rules and regulations.** Deductions, such as state and federal income tax, Social Security, or T.R.A. shall be made only as required by law.

Subd. 2. This section shall not apply to any teacher who is discharged for cause by the School District.

Subd. 3. For purposes of this section, active service includes FMLA leaves of absences and excludes all other unpaid leaves of absence.

#### Section 2. 403(b):

Subd. 1. All full-time teachers and part-time teachers who are eligible for insurance as set forth in Article XI, Section 1, Subd. 5, are eligible for this benefit.

Effective September 1, **2007**, the District shall establish a matching contribution, for each relevant school year, of up to \$1000.00 per school year in a 403(b) program for all teachers with a seniority date prior to June 30, **2005**, up to \$1,500.00 per school year for all teachers with a seniority date prior to June 30, **2000**, and up to \$2,000.00 per school year for all teachers with a seniority date prior to June 30, **1989**. **Effective September 1, 2008, the years will be increased by one for each category.**

Subd. 3. The maximum individual lifetime matching contribution by the District shall be \$35,000.

Section 3. Health and Dental Insurance: Teachers eligible for retirement as established in this Article **and enrolled in insurance** may elect to continue to participate in the District's Health and Dental insurance program. The value of sick leave not paid as severance in this Article for insurance benefit eligible **and enrolled** teachers under Section 1, shall be allocated to the Health Care Savings Plan for the individual teacher.

For insurance benefit eligible **and enrolled** teachers hired on or after July 1, 1994, and eligible to retire under this Article, but not eligible for severance payment as set forth in Section 1, the value of unused sick leave days less the value of 103 days shall be allocated to the Health Care Savings Plan for the individual teacher.

Section 4. Severance and retirement health benefits shall be available only once in a teacher's employment with the District.

Section 5. Effective Date: To qualify for severance pay under the Article a teacher must notify the District of the intended retirement by March 1 of the relevant school year. Generally, a teacher's retirement will be the end of the school year. District approval of requests to retire during the school year will be driven by the semester date.

If a teacher seeks a retirement date prior to end of the first semester, the teacher may choose to work through the end of the quarter or semester at the District's discretion, or commence a leave of absence prior to the beginning of the school year up to the teacher's actual retirement date.

If the retirement date is after the end of the first semester, then the teacher may choose to commence a leave of absence prior to beginning of the school year up to the teacher's actual retirement date, or work through the end of the first semester and commence a leave of absence up to the actual retirement date, or work through the end of the third quarter or the remainder of the school year, at the District's discretion.

Section 6. Teachers who are eligible for a Minnesota State retirement pension but are not eligible for severance or unused sick leave credit as set forth in this Article may seek insurance continuation which may be available pursuant to the provisions of Minn. Stat. § 471.61, Subd. 2b.

Section 7. Mandatory Retirement: Retirement shall be mandatory only to the extent required by law.

## ARTICLE XIX

### GRIEVANCES

#### Section 1. Definitions

Subd. 1. A grievance is any controversy between the Board and the AHEM or between the Board and an employee or group of employees as to 1) interpretation of this Agreement, 2) a charge of violation of this Agreement, or 3) an alleged violation involving wages, hours or working conditions resulting in unnecessary hardship.

Subd. 2. Employee is an employee or employee organization that is certified as an appropriate unit in the School District and not classified as confidential, supervisory, or Principal/Assistant Principal as defined in PELRA-71 as amended.

Subd. 3. First Level Supervisor shall mean Supervisor/Principal/Assistant Principal or the person to whom the employee reports.

Subd. 4. Second Level Supervisor shall mean the Assistant/ Superintendent/ Director/Supervisor or the person to whom the first level supervisor reports.

Subd. 5. Days shall be considered "working" days as defined for the employee except at the end of the school year. The days in this instance shall be week days.

Section 2. Procedure: Grievances as defined in Section 1 shall be settled in the following manner and the steps set forth must be followed in the order listed within the time limits prescribed.

Step 1. The grievance shall be orally presented to the employee's first level supervisor within ten (10) days after employee knew or should have known of violation. No settlement in this Step 1 shall be made in violation of the written Contract.

If a settlement is not reached within two (2) days after oral presentation to the first level supervisor the grievance shall be reduced to writing on form number G-I with a clear statement of the issues involved. This shall be presented to the first level supervisor who shall promptly transmit the written grievance to the General Counsel for handling in accordance with Step 2.

Step 2. The General Counsel shall establish a Step 2 hearing with the aggrieved and the appropriate second level supervisor. The Step 2 meeting shall be held within five (5) days after the employee has filed the written grievance. The time and place for meetings under Step 2, shall be at the discretion of the General Counsel. The employee shall be allowed a reasonable number of representatives at the meeting.

The General Counsel shall prepare a report of the meeting, together with a written disposition of the matter and forward copies thereof to the employee and to AHEM within five (5) days after the Step 2 hearing.

If settlement is not reached in Step 2 within three (3) days of the date of the disposition, the grievance is referred to Step 3.

Step 3. Grievances referred to Step 3 shall be discussed between AHEM and the General Counsel. This discussion shall take place within five (5) days after the grievance has been referred to Step 3.

If agreement is reached as a result of this meeting, the General Counsel shall issue a disposition of the matter which shall be final and binding. If agreement is not reached, the grievant shall, within ten (10) days after the Step 3 meeting, notify, in writing, the General Counsel that arbitration is required.

Step 4. Arbitration: In cases referred to Step 4, unless otherwise agreed, the parties shall request within ten (10) days a list supplied by the American Arbitration Association or Bureau of Mediation Services, in rotation order. After the parties have received the list, they shall alternately strike names until there is one arbitrator remaining who shall preside over the hearing.

The arbitrator shall set the time and place for the Step 4 hearing, the method of procedure and make all necessary rulings.

The arbitrator shall have no power to add to, subtract from, or modify any of the terms of the Agreement or to any agreement made supplementary hereto, and shall only be allowed to rule on those cases that apply to the definition of a grievance as described in this Article. The decision of the arbitrator, if within the scope of his/her power, shall be binding on both parties with the limitations of PELRA-71 as amended. The expense and fees of the arbitrator shall be borne jointly by the Board and AHEM.

Section 3. Rules: Any loss of time by the employee and his/her representatives to attend Step 4 in the grievance procedure shall not be compensated unless AHEM Leave Days are used. These days must be taken in minimums of half days.

The number of days indicated at each step of the grievance procedure should be considered as maximum and every effort should be made to expedite the grievance process. Any time limit may be extended by mutual written consent. The failure of an aggrieved person to proceed from one step of the grievance procedure to the next step within the time limits set forth shall be deemed to be acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.

The failure of an administrator to communicate his decision or hold a meeting within the specific time limits shall permit the aggrieved to proceed to the next step in the grievance procedure.

Grievance cases shall be as confidential as possible. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
