 - 1. Service shall not be deemed to be interrupted by any leave approved and granted pursuant to this Agreement. - H. **BTU:** This shall mean the Broward Teachers Union and/or its duly authorized representatives.
- I. **Memorandum of Understanding (MOU):** When situations arise to amend or modify contract language concerning terms and conditions of employment, the BTU has a right to enter into any Memorandum of Understanding (MOU).

PROFESSIONAL QUALIFICATIONS AND ASSIGNMENTS

- A. **Employees:** No new employee shall be employed who is not fully or provisionally certified in the grade level and/or subject area to which assigned, except when employees with such certification are unavailable or in emergencies. Employees in the District assigned to a grade level and/or subject area outside the scope of their teaching certificates shall constitute the source of availability.

Career and Technical Education: To be qualified to teach career and technical education, the verified work experience required for state certification must be in the area of specific subject to be taught. Career and technical employees who qualify on the basis of non-academic preparation must have the six (6) years' verified work experience or equivalent as specified for certification in the specific occupational subject area of the teaching assignment.

- B. **Teaching Assignments:** No employee shall be assigned to teach in a grade level and/or subject area not within the scope of his/her teaching certificate, except where a position within his/her certification is unavailable or when mutually agreed to by the affected employee and principal, or when determined necessary by the principal. Employees assigned to positions outside the scope of their certificates shall be assigned as soon as possible to positions for which they hold certification.
- C. **Tentative Assignments:** Employees shall be tentatively assigned to the same subject area and/or grade level for the forthcoming semester that they held during the previous semester, unless notified two weeks in advance for the second semester, or two weeks prior to the conclusion of an employee's work calendar of the school year for the first semester that the assignment has changed. - D. **Involuntary Assignments:** An employee involuntarily assigned for one (1) year or less to a position outside the scope of the employee's certification shall not be required to obtain additional training related to the assigned position nor shall evaluation reflect the absence of such training.

E. **Professional Service Contracts:** Teachers hired with valid continuing or professional service contract in the State of Florida will automatically have reinstatement of said status upon the successful completion of one year of employment with the SBBC. After such a teacher has successfully completed ninety-seven days of employment with the SBBC, the principal may petition Non-Instructional Staffing to have said status reinstated immediately.

F. **Special Teaching Assignments**

1. Teachers assigned to a school that utilizes the Montessori Teaching methodology and who teaches one or more Montessori Core Courses must successfully complete the American Montessori Society Training Program that is offered by a District approved institution.
2. Upon entry into a Board sponsored Montessori Training Program, the teacher must agree in writing to accept the assignment to the assigned school for a period not less than five (5) years.

7. For the Montessori Programs, a teacher who is transferred between elementary/secondary programs may request release from their commitment referenced in paragraph 2 above and may request a transfer or reassignment pursuant to the provisions of Article Twenty-Five of this Agreement.

ARTICLE FIVE
CONDITIONS OF EMPLOYMENT

- A. **Teacher's Primary Responsibility:** The District and the BTU acknowledge that a teacher's primary responsibility is to teach and that all energies should be utilized to this end. Therefore, the District agrees that every effort shall be made to relieve employees of all non-professional supervisory and clerical responsibilities such as, but not limited to, playground and other school ground supervision (excluding recess supervision for elementary level students), lunchroom supervision, hallway and restroom supervision, study hall and detention supervision, bus loading and unloading supervision, money collection or transmittal, and various and similar non-professional responsibilities. Such duties shall be assigned to non-bargaining unit employees. Recess in elementary schools shall not be used to replace regularly scheduled physical education programs.
- B. **Materials/Storage:** The District shall provide each employee with materials required in the daily teaching responsibility, chalkboard/whiteboard space and a hard copy, if available, of the teacher's edition for all texts used. Lockable storage space shall be provided within budgetary limitations; however, the administration will pursue the use of lockable classroom space, teacher preparation/planning areas, and suitable alternatives as agreed upon by the employee in writing.
- C. **Teaching Stations:** The District further agrees to provide adequate teaching stations for all special service and special subject teachers, including, but not limited to, speech language pathologists, art teachers, music teachers, homebound teachers, reading teachers and counselors. Private office space will be provided to school psychologists and school social workers within the limits of available space.
- D. **Duty-Free Lunch:** All employees shall be entitled to a duty-free, uninterrupted lunch period of at least thirty (30) consecutive minutes. Employees shall not be required to deliver or pick up their students during this time.
- E. **Length of Workday:** The employees' workday shall be seven and one-half (7 1/2) consecutive hours, including the lunch period. The normal teaching load for assigned classes shall not exceed a daily average of 300 minutes. Those teachers who teach 360 minutes shall have a workday of no longer than eight and one-half (8 1/2) hours. If a four (4) day work

week is implemented, this schedule may be compressed into that period. Said compression shall not result in the reduction of salary or benefits.

- F. **Employee Facilities:** The District shall designate adequate facilities for employees' lounges, restrooms, preparation/planning in each current and new permanent school. To the extent possible, any such facilities that are reduced to accommodate class size reduction efforts shall be restored as a priority facility expansion when class size limits have been achieved. To the extent possible, such facilities shall be secluded from students.
- G. **Telephones:** Adequate private telephone facilities for the purpose of conducting school business shall be made available in each school for employee use. Employees may use school phones for personal, local calls, provided that there are no charges to the school associated with said phone calls. Long distance calls shall not be charged to school phones. A telephone extension shall be provided in the base office of each employee whose assignment requires the frequent use of the telephone, including but not limited to counselors, school social workers and school psychologists.
- H. **Off-street Parking:** Off-street parking facilities shall be provided for employee use at each school.
- I. **Conference Areas:** Private areas for teacher-parent and/or student conference shall be provided in each school by the appropriate administrator.

Conferences with parents are an effective tool to keep parents informed of their child's academic progress and an integral component for monitoring student conduct and performance. Teachers may contact parents in person, by phone, or by other digital meeting platform for such purpose. Teachers may unilaterally conclude such conferences where the parent chooses to use such a time to criticize or attack the teacher rather than discuss the student's progress. Under such circumstances, the teacher shall notify their administrator by the end of the subsequent workday. Such notification can be done via e-mail. Upon employee request, an administrator shall be in attendance at parent conferences when there is a reasonable expectation of inappropriate behavior toward the teacher by the parent. When possible, the administrator/designee and teacher shall meet prior to the conference to develop a strategy to maximize conference effectiveness for all parties.

- J. **Relief Period:** Each elementary employee, including special subject teachers, shall have at least a ten (10) minute relief period in both the morning and afternoon each day in a manner to be determined by the employees and immediate supervisor in each school/center. One of the relief periods (i.e., during specials class) shall occur during the student instructional day. An employee with an assignment other than a regular classroom assignment shall not be removed from that assignment to supervise the students of another employee for such relief periods unless such relief periods cannot otherwise be provided, in which case not more than one such assignment per day shall be given.

Each middle and high employee who needs a restroom relief period during instructional time shall have no more than a ten (10) minute relief period. The employee shall not leave their students unsupervised.

- K. **Faculty Meetings:** Principals shall have the authority to schedule necessary faculty meetings; however, such meetings shall be as brief and well planned as possible. Such meetings shall be used for purposes that cannot be accomplished effectively through other means. Faculty meetings shall be scheduled in a manner that impacts teacher planning time to the least degree possible. If more than one (1) faculty meeting is held in a month, the purpose of the meeting shall be announced to the faculty in advance.

L. **Teacher Planning Days:**

1. **Planning Days:** The school calendar shall contain ten (10) planning days throughout each school year. Five (5) of these days shall occur at the beginning of the school year. On all planning days, teachers shall have one (1) hour for lunch.
2. The Superintendent shall designate two (2) of the five (5) preplanning days with the intent of not scheduling any activities except teacher planning. If the need arises, the affected principal may schedule a staff meeting not to exceed one (1) hour in duration on each of these days.
3. Schools have flexibility on how to utilize up to their allocation of twenty-four (24) hours per year of the total time available for professional development, exclusive of time allocated for teacher planning and preparation. Professional development activities shall be scheduled on planning days and two additional early release days exclusive of the four (4) early release days specified in Section V below.

4. Professional development activities shall be defined as those activities focused on improving student achievement and include, but are not limited to, collegial conversation, curriculum discussions, teacher training, collaborative planning, department meetings focusing of student achievement, analysis of data for student improvement, etc.
5. A joint school committee comprised of an equal number of School Advisory Committee (SAC) members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation.
6. After gathering input from the faculty, the teams shall develop customized activities for the staff development time allotted to the early release days (as stated above) and the ten (10) planning days. If the team is unable to agree upon the activities for the days, the Superintendent and the BTU President shall appoint an equal number of persons to serve on an intervention team to mediate the situation and assist the school in developing appropriate activities. A final appeal may be presented to the Superintendent and BTU President for disposition. A copy of the activities and time allotment shall be provided to the BTU and Employee & Labor Relations.
7. If, after establishing the activities for the early release days and the planning days, the School Professional Development Team determines that additional professional development time is needed to achieve the goals of the School Improvement Plan (SIP), then the school shall initiate a waiver vote for the additional use of up to a maximum of eight (8) additional hours or teacher planning time for professional development purposes. This waiver vote shall follow the waiver vote process contained in Article Fifteen, but shall not be considered a schedule change vote. The waiver and vote results along with the plan for the use of such additional time shall be forwarded to the BTU and Employee & Labor Relations.

8. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/grade level to plan and implement such activities.

M. **Use of Planning Days:** Each school's SAC, working with teachers appointed by the school's Faculty Council, shall develop a plan on the use of planning days based upon the District Strategic Plan and their SIP objectives. For purposes of this project, the Faculty Council at each school shall appoint the following number of teachers to work with the SAC teams:

- | | | |
|--|---|------------|
| 1. Elementary Schools, Exceptional & Alternative Education Centers | = | 3 teachers |
| 2. Middle Schools | = | 4 teachers |
| 3. High Schools and Technical Colleges | = | 6 teachers |

Prior to development of the plan, faculty teams/ departments/grade levels will be given an opportunity to make recommendations on the use of planning days. The SAC and Faculty Council shall consider faculty recommendations, present the faculty with preliminary plans, and provide them an opportunity to react to the plans prior to their inclusion in the SIP.

N. **Access to Buildings:** When school is not in session, employees may have access to the building to voluntarily perform job related duties by arranging such access with the principal. Every reasonable effort will be made to provide access time convenient to the employee.

O. **Interruptions to Teaching:** Unauthorized personnel shall not be allowed to interrupt or otherwise disturb an employee during the performance of his/her professional responsibilities. Observations of an employee's class by persons other than school system personnel shall be allowed only after consent has been granted by the principal or his/her designee, notification to the employee, and proper security clearance has been granted. The visitation shall be scheduled no sooner than two (2) workdays after notification, except in extenuating circumstances as determined by the affected principal. Such observations shall be no longer than one (1) hour in length. Upon request, a building administrator shall be present in the employee's classroom during the entire observation period.

Observations for evaluation purposes shall be governed by the provisions of Article Eighteen of this Agreement. Observations for other purposes

shall occur only after the employee has been notified in advance by the principal.

Employees should be able to perform their professional responsibilities free from unnecessary interruptions or disturbances. To the extent possible, maintenance, custodial and construction work will be done at a time or in a manner which will not result in interruptions or disturbances of the employee's professional responsibilities. The same shall apply to the use of intercommunication systems.

- P. **Vending Machines:** Profits from vending machines in employee workrooms, lunchrooms or lounges shall be expended for legally permissible purposes as determined by the employees in the school and the principal at the worksite through the Faculty Council. Vending machines dispensing lunch items are not included in this provision.

If requested, teachers shall be informed of monies collected and/or profits that have been spent from vending machines in employee workrooms, lunchrooms, or lounges. The principal shall have one (1) vote, as does each Faculty Council member.

- Q. **Equipment:** The District shall provide cleaning or laundering and maintaining of school-owned physical education and athletic uniforms, uniforms for musical groups, towels, equipment, etc. The District further agrees to replace stolen, lost, irreparably damaged, or worn-out musical instruments, at least as included on the "basic equipment list" in effect during the applicable school year, to the degree the affected school's finances permit.

- R. **Behavioral Objectives:** The writing of behavioral objectives may be required to determine the broad goals and objectives of employees for their students' expected success; however, the writing of behavioral objectives as a part of their daily lesson plans will not be required.

- S. **Lessons Plans:** Teachers who have less than three (3) years' experience in the District may be required to submit their lesson plans to the principal on a regular basis with two (2) workdays' notice of commencement of a submission schedule.

In recognition of the professionalism of Broward teachers, employees who have more than three (3) years' experience in the District shall not be required to regularly submit lesson plans, however, any time the principal does request lesson plans, the teacher shall submit the plans with two (2) workdays' notice.

All lesson plans may be submitted in hard or electronic form.

Regardless of the years of experience, any teacher who is identified for or engaged in a written plan for improvement may be required to present his/her lesson plan to the principal on a regular basis. When requested by the principal, the teacher shall submit the plans.

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be unreasonably complex. Documentation of the incorporation of Sunshine State Standards and teaching strategies required by law, Board policy or regulation are part of daily lesson plans.

Daily lesson plans will not require the verbatim duplication of information clearly available by reference elsewhere (does not include computer disks).

T. **Registration:** Schools shall schedule registration periods into the shortest time period possible to assure minimum interference in employee planning and preparation time.

U. **Early Release Time:**

1. The District shall provide that students at each school shall be dismissed two (2) hours early on six (6) days during the school year. Any school may opt-out of providing early release time by a 66 2/3 percent vote of bargaining unit members through the waiver methodology described in Article Fifteen, Section G, 2-4.
2. Four (4) of these days shall be scheduled the day prior to the employee planning day at the conclusion of each grading period. These early release days shall be used by employees for end of quarter activities including, but not limited to, grading of exams, grade preparation, or other appropriate activities as determined by the employee. The District shall schedule the remaining early release days after consulting with the BTU.
3. The two (2) remaining early release days shall be used in a manner consistent with the procedures below. On these two (2) days, principals may use up to one (1) hour of the two (2) hours of release time to conduct staff meetings or activities that are directly related to school improvement.
4. At all work locations, each department/grade level with the principal's approval shall adopt an objective based on student data

and aligned with the SIP and the District Strategic Plan on which to focus its efforts during the school year. Each department/grade level shall then adopt early release day activities that address its established objective. The District recognizes teachers as professionals and shall provide the flexibility necessary for each department/grade level to plan and implement such activities.

V. **New Teacher Orientation Program**

1. The parties agree that on an annual basis, newly hired District teachers shall attend a BTU-District Orientation Program. Therefore, they shall work 197 days during their first year of employment and their salary shall be based on 196 days. The parties will co-sponsor this event. Events shall not be scheduled at schools or other locations for newly hired employees at the time this orientation program is in session.
2. The parties agree that two (2) orientation sessions will be conducted. New teachers must attend one (1) of the two (2) days. Notification of required attendance at the orientation and the tentative date(s) of the orientation shall be presented to the new teacher upon being hired. New teachers shall be notified of the scheduled date of the orientation as soon as it is established by the parties.
 - a. All new teachers employed as of the first day of the 196-day teacher calendar shall attend the first orientation day which will be conducted prior to the beginning of said work calendar. Exceptions to this requirement may be made by the Superintendent.
 - b. New teachers hired after the first day of said teacher calendar shall attend the second orientation day which shall be conducted on a Saturday or weeknight shortly after the completion of FTE count week. Said date will be mutually agreed to by the parties.
3. **Program Design:** The President of the BTU and the Superintendent shall each appoint two (2) persons to a Committee to design the program. Program design shall allow for BTU and District participation in an equitable manner. Upon completing its' work, the Committee shall make recommendations to both the President of the BTU and the Superintendent for final action.

4. **Cost:** The District and the BTU agree to equally share the costs of this program. The District and the BTU shall each pay for their invited guests other than teachers and for any special equipment required for their activities.

- W. **Employee Input:** As provided by statutes, within thirty (30) days after the start of each school year, employees shall be notified in writing of their right to provide input into their administrator's annual performance assessments.

- X. Stewards' planning periods shall be scheduled at the end of the student day, where feasible.

ARTICLE SIX
GENERAL EMPLOYMENT PRACTICES

- A. **Physical Examinations:** All employees, upon initial employment, may be required to present evidence of physical ability to perform duties assigned and of being free from communicable diseases. Such evidence, if required, shall be obtained from a licensed physician of the employee's choice. The cost of such examination shall rest with the employee. The District may require a subsequent physical or psychological examination by a physician, or clinical psychologist or psychiatrist, respectively, licensed in Florida, when in its judgment such an examination is relevant to teaching performance or employment status.
1. The affected employee's immediate supervisor shall submit a request for the examination to the applicable employee and/or department as determined by the Superintendent. If the affected employee requests, he/she shall be provided a copy of the note written by the supervisor which indicates the apparent difficulties the employee is encountering.
 2. The employee has the right to attach a rebuttal statement and to have a pre-examination meeting with the Superintendent's designee to discuss the perceived problems. However, the employee must submit this request in writing to the applicable employee and/or department as determined by the Superintendent within five (5) calendar days of written notification that an examination will be or has been scheduled.
 3. The employee may be represented by a person of their choice. This meeting shall not in any way infringe on the Superintendent's right to require an employee to take an examination called for in this section.
 4. The appointment of the physicians and/or clinical psychologists or psychiatrists to the list shall be made by the local or county respective professional association and the District shall pay costs incurred for the examination. Under unusual circumstances as determined by the Superintendent, an additional examination can be scheduled.
 5. If a determination is made that no examination is necessary, the parties agree to petition the Department of Library & Information Services for permission to destroy all documents related to the incident.

- B. **Substitute Notification:** Any employee shall not be required to obtain a substitute for himself/herself or for other absent employees. The employee shall have the option of recommending a sub. The recommendation shall be submitted with as much advance notification as possible.

If an employee is not given a substitute job number after contacting the sub locator system, the employee shall notify the designated school-site administrator of the employee's intended absence prior to the start of the employee's regular workday.

Where an employee has secured both a substitute and an authorized temporary duty assignment (TDA), revocation of the TDA shall occur only as a last resort. Should revocation occur, the employee shall have the option of retaking the specific session missed the next available time the course is offered. The required TDA to attend the makeup session may not be revoked. If the workshop/training is offered only once, the TDA will not be revoked.

- C. **Substitutes:** Substitute employees shall be employed for all absent employees, except studio teachers, school counselors, guidance directors, psychologists, school social workers, speech language pathologists, (excluding SLPs who service AM/PM PreK Programs) ESE specialists, media specialists, and when the employee and principal agree that employment of a substitute would be inappropriate for certain exceptional children. When it is known that an employee in one (1) of the exceptions listed above will be absent for an extended period of at least twenty (20) consecutive workdays, or the position is vacant a substitute shall be employed for such absent employee provided that a properly certified/licensed substitute is available. If a substitute is unavailable for one (1) of the exceptions listed above and the employee will be absent for less than twenty (20) consecutive days, a properly certified/licensed employee in the same job classification who increases their workload/caseload by at least 45 minutes in one workday, by covering for the absent employee or a vacant position, shall have their daily rate increased by fifty-five dollars (\$55) on those days during the period of time they assume the duties of, or perform any assignment of the absent employee or vacant position. If the employee continues to increase their workload/caseload for an absent employee/vacant position for 20 days or longer, the employee shall have their daily rate increased by fifty-five dollars (\$55). Substitutes may be employed during pre-school or post-school conference periods or on teacher workdays when students are not in session when the principal determines that the situation warrants it. Substitute teachers shall be expected to perform all duties normally performed by the regular employees.

The administrator shall establish a list of volunteers and implement an equitable rotation schedule for coverage among those who volunteer. Where said lists have not been established, employees shall not be subject to disciplinary action for refusal to cover assignments/caseloads for the absent employee.

- D. **Covering Classes:** Employees shall not be required to substitute for absent employees. Where substitutes cannot be obtained for an absent employee, temporary coverage will be worked out mutually by the principal and the affected employee. The principal shall establish a list of volunteers and shall rotate requests for coverage among those who volunteer. Where said lists have not been established, teachers shall not be subject to disciplinary action for refusal to cover classes. Employees who volunteer to increase their normal workload by covering the class of an absent employee when no substitute is available shall have their hourly rate increase by fifty-five (\$55) dollars during the period spent covering a class (rounded to the nearest half hour). Employees who volunteer to increase their normal workload by accepting a portion of the students assigned to an absent employee in order to cover a class when no substitute is available shall have their daily rate increased by fifty-five (\$55) dollars on those days when they accept a portion of the students assigned to an absent employee. Classes will be proportioned as equally as possible. In elementary schools where sufficient volunteers are available, classes shall be divided equally among at least four (4) employees. When volunteers substitute by covering other classes, they are responsible to provide adequate planning for their own classes for the following school day.

Employees who are in active status as of the date of Board approval will receive their hourly/daily rate increase from twenty-five (\$25) to fifty-five (\$55) dollars retroactive to January 9, 2023.

- E. **Full-Time Employees:** Substitute teachers, teacher aides, teacher assistants, or education support professionals shall not be employed in or assigned to a teaching position to avoid the employment of a full-time teacher when such a full-time position exists as defined in Article Twenty-Five, Section B, or for other purposes intended to circumvent any provision of this Agreement.

F. **Summer School Employment:**

1. Each summer school center shall advertise all anticipated bargaining unit vacancies no later than sixty (60) days prior to the beginning date for such positions. The notice shall state the title of

the position; where to apply for the position; deadline for submitting application; certification required; beginning and ending date of employment; the school where the application is to be sent; and the person with whom applications are to be submitted. Each applicant must apply for at least two (2) summer school locations.

2. All applicants shall be informed of the status of their applications no later than twenty (20) days prior to the beginning date of employment.
3. **Summer School Qualifications:** Assignments to such positions in each summer school center shall be made according to the following ranked criteria:
 - (a) Proper certification is held by the employee.

ARTICLE FIFTEEN ACCOUNTABILITY

Those most closely affected by decisions ought to be involved significantly in making those decisions on all issues.

The District and the BTU shall work together in the development and implementation of quality training related to accountability.
 2. School-based accountability funds allocated to the school may be used to support these training efforts.
- D. **Reconciliation/Intervention Team:**

Staff approval and commitment to the model is essential. The selected model of governance will be specifically described in each school's improvement plan.

F. **School Advisory Council (SAC)**

1. The President of the BTU shall appoint one (1) teacher bargaining unit member from each school to serve on that school's SAC team. The appointment is for a full school year. For purposes of this section, the SAC members will determine if the plan is "substantially different." A final copy shall be available for review in the school's media center.

The District will provide a BTU steward signature line on the SIP document. Said signature indicates that the steward has knowledge of the SIP. The steward may choose not to sign, but the signature or lack thereof will not stop the implementation of the Plan.

4. **School Improvement Funding**

The District shall fully comply with Florida Statutes, Section 24.121 (5) (c) which addresses guidelines for the expenditure of lottery funds. If the Florida Legislature deletes/amends the statutes that this section is based on, or the State appropriation ends, this Section #4 shall be amended or deleted to reflect the action taken by the Florida Legislators.

The principal and a representative of the BTU shall be official observers of the election and ballot counting. The waiver request must be approved by 66 2/3 percent of the bargaining unit members in the school and not just those in attendance at the voting meeting (Example, i.e., a school with 100 bargaining unit members must have 67 positive votes regardless of the number of bargaining unit members voting. 7. **Recommendation of the Superintendent:** Without such 2/3 majority vote, a waiver shall still be submitted but will not have the recommendation of the Superintendent or the President of the BTU. All waivers must be cost neutral. Window periods for waiver submission will be consistent with the District's Accountability Policy.

If/When an assessor gives a “Beginning” datamark, the administrator may provide feedback to the educator through brief comments and/or summary remarks that are verbal or written and promote growth.

b. **Teachers**

1. Educators shall participate annually in the evaluation orientation, review procedures, review criteria, and request assistance related to their performance, as needed.

2. The Evaluation Sub-Committee will commit to meet and communicate on a regular basis to discuss and address observation concerns and collect feedback on the implementation of BrIDGES. Additional evaluation details will be discussed within the Evaluation Sub-Committee per the following:
 - a. Annual Orientation - The minimum number of datamarks and/or observation requirements and Instructional Practice Score ranges will be discussed annually. 4. **Conferences**

a. **Pre-Conference:**

1. A pre-conference is offered before the first formal observation. Observers will notify educators two (2) workdays in advance of the pre-conference date of the first formal observation and provide the date of the

formal observation. For probationary educators, a face-to-face pre-conference prior to all formal observations will be provided.

Educators will be able to view their Final Instructional Practice Score during the last instructional week of school.

- e. **Refusal To Sign Documents:** An employee's refusal to sign/acknowledge evaluation forms and any disciplinary action forms that may be required/generated under the provisions of this Article, shall not constitute any ground for insubordination or for other action against the employee, when such signature is for the purpose of acknowledging that the document has been read and does not necessarily indicate agreement with its contents.

5. **Performance Development Plans**

- a. For any educator who has received less than effective ratings, administration is encouraged to have an informal discussion with the educator to share recommended strategies for improvement in an effort to promote growth.

- d. Once an educator has a less than effective Instructional Practice score (based on observations conducted by a credentialed administrator), and a specific number of ratings (as determined by the evaluation sub-committee) a Performance Development Plan (PDP) may be written. If a

PDP is written, it will be done with a credentialed administrator in collaboration with the educator.

The following provisions shall govern sick leave:

1. **Accrual:** Each employee on a full-time basis shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year, and shall thereafter earn one (1) day of sick leave for each month of employment, which shall be credited to the employee at the end of that month, and which shall not be used prior to the time it is earned and credited to the employee. However, the employee shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment. When an employee uses a sick leave day, it shall be paid at the affected employee's daily rate of pay at the time the day is utilized. Also, when an employee uses a sick leave day, those days are earned at a lower rate of pay and shall be deducted before sick days having a higher value. Such leave shall be taken only when necessary because of sickness as herein prescribed. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave an employee may accrue, except that at least one half (1/2) of this cumulative leave must be established within the District.

Sick leave accumulated in another Florida district or districts by an employee shall be accrued to the employee at a rate equal to the number of sick leave days allowed the employee during each year of employment in this District until such time as all sick leave accumulated in other Florida districts has been transferred to the District.

Such transferred sick leave days shall be in addition to sick leave days to which the employee is entitled from this District. Employees who are to be temporarily absent from school for any reason shall, if possible, notify the principal or his/her designee at least two (2) hours prior to school opening.

Employees shall not be required to give reasons for personal leave, except that the leave is for "personal reasons."
 - (a) Personal reasons leave shall not be granted on the day preceding or following a holiday* nor during the first or last week of school. If an immediate supervisor suspects an abuse of sick leave, he or she shall first investigate the matter and discuss the findings with the affected employee.

An abuse of sick leave is defined as a pattern or series of absences which occur over an extended period of time and on a regular and predictable basis and without adequate justification. For example a regular and predictable basis would be: sick leave being used as soon as earned; absence on only Mondays or Fridays; absences occurring on the days before or after a holiday period; absences occurring on the day after a payday on a regular basis.

If the investigation sustains that a documented pattern of abuse does exist, the employee may be subject to disciplinary action as per Article Eighteen, Section B (1).

- (d) During the tenth (10th) through the twelfth (12th) year of service:
1. The affected employee's daily rate of pay on July 1, 1994, multiplied by 50 percent multiplied by the number of unused sick leave days held on July 1, 1994.

The employee must qualify for "normal retirement" which under this policy shall mean retirement under plan A,B,C,D,E under the Florida Retirement System or any other plan established by the Legislature with either full or reduced benefits as provided by law. Normal retirement shall not be interpreted to include disability retirement.

2. Employees who desire to be reassigned shall file a written statement with his/her school principal of such desire. Voluntary requests for reassignment shall receive first consideration to the extent that vacancies exist within the building/location.
3. Involuntary reassignments shall be made at the discretion of the principal provided the authority is exercised in a professional and fair manner; not arbitrary or capricious. The principal shall advise the employee through a personal interview that a reassignment is being recommended and the reasons therefore.
4. (a) An employee with a complaint about being unfairly reassigned in an arbitrary and capricious manner may present the complaint to his/her principal.

(b) If the principal is unable to resolve the complaint the employee may present the complaint to the Chief School Performance Accountability Officer for review.

The resolution at this level is final and binding and shall not be further challenged under Article Thirty-Four.

For purposes of this section a main building, any annex building(s), or portable classrooms shall be deemed to be part of the same school, center or off-campus facility irrespective of physical location provided that all such facilities have the same administrator.

For Psychologists, School Social Workers and other such employees who are assigned to school/center, a transfer is defined as a change in the school/center.

Reassignment as defined in Article Twenty-Five, Section A(1) shall not constitute a transfer for the purposes of this Agreement.

2. A transfer for an employee who is assigned to work in a program or activity which regularly or occasionally requires performing work at more than one school, center, off-campus facility or other location (e.g. store front schools or detention facilities) shall be deemed to occur only when the employee is moved to a program or activity which is under the supervision of a different principal or administrator.
3. The parties agree that prior to the effective date of any mergers, expansion or consolidation of programs or activities which require changes in employee work locations, the District will give written notice to the BTU. Upon request of the BTU, the BTU president and the Superintendent, or their respective designee, will meet and confer regarding the movement of the employee.
4. Employees who desire a transfer shall complete the District Online Transfer Request Form, print for their records, and submit a copy to their principal.

2. The staff of the Division of Human Resources & Equity shall provide access of all transfer requests to locations.

3. **Transfer Window:** Voluntary transfer applicants who have requested a specific school for the following school year must all be considered before the affected principal can fill the vacancy with a new hire. After the schools' budgets have been finalized, an early transfer window, using an efficient method for interviews, will allow only teachers who have requested voluntary transfers (regular and special) to transfer. Applicants may be interviewed prior to the placement of teachers being involuntarily transferred. Following this transfer window, involuntary transferred teachers will be placed. After the placement of involuntary transfers, the transfer window will be reopened for regular and special voluntary transfers. Except for hardship transfers, no transfer will be allowed if the employee does not apply by the last day of the regular school year. Locations must select a transfer at least fourteen (14) calendar days prior to the first teacher planning day of the upcoming school year and then no transfer will be allowed. Hardships may continue to be selected. Factors to be considered by the principal include, but are not limited to:

- a. required certification/qualifications for the position.
- b. sending and receiving school's faculty racial ratio.
- c. mutual agreement of employee and the affected administrators.

Employees meeting the criterion in this section, may apply for a medical/personal problem transfer at any time and may be transferred after the start of the school year for students.
- c. An employee who meets the "hardship" definition will be guaranteed an interview for a District determined vacancy at one (1) of the ten (10) schools the employee selects on their Online Transfer Request Form and applies to the specific school via the District's online application system. Hardships do not need to be considered, during the early transfer window.

Guaranteed Transfers: Voluntary transfer applicants shall be granted a transfer if a vacancy exists for the following school year in one of ten (10) schools the employee selects on their Online Transfer Request Form and applies for the specific school via the District's online application system. The employee will be considered based on the following conditions listed below. However, no transfer will be considered if the employee does not apply by June 30th. Locations must select a transfer at least fourteen (14) calendar days prior to the first teacher planning day of the upcoming school year.

- b. The affected teacher must have completed not less than fifteen (15) consecutive years in /her current school.
- c. Not more than ten percent (10%) (rounded up to the nearest whole number) of the bargaining unit members at a school will be eligible for a transfer under this section. The ten percent (10%) shall be determined by the longest number of years of bargaining unit service at their current school. In case of a tie, Article Three, Section E, 3, c-d shall be utilized.
- d. If more than one (1) eligible teacher requests the same vacancy and they are certified for said position, it shall be

awarded by bargaining unit seniority. Ties shall be broken pursuant to the provisions of Article Three, Section E, 3.

- e. No school in the District shall be required to accept more than the following number of teachers under the provisions of this Section:

ESE, Elementary	=1
Middle	=2
Technical Colleges and High Schools	=3

- f. The Superintendent can reject a transfer under unusual conditions as determined by the Superintendent such as the need for diverse staff, ESOL requirements and those supplements listed in Article Twenty-Five, Section D, 5.
- g. Guaranteed Transfers shall be processed before other voluntary transfers except during the early transfer window.

Return Transfers: Teachers who are involuntarily transferred shall have the first right of refusal for vacancies that occur at their previously assigned school prior to the close of the transfer window.

- 5. **Superintendent Approval:** After the day before school starts for students each year, the Superintendent may approve voluntary transfers under extenuating circumstances as determined by the Superintendent.
- 6. **Delay of Voluntary Transfers:** Voluntary transfers shall not be processed until such time as the District has depleted the list of surplus teachers needing placement under Section D. below, except during the early transfer window.

D. **Involuntary Transfers:** Involuntary transfers will be made with the approval of the Superintendent when a reduction in the number of employees in a school is necessary, or to prevent disruption of the instructional program.

- 1. **Request Volunteers:** When a reduction in the number of employees in a District designated subject area/program or specific positions is necessary, notice of the reduction shall be emailed to all faculty and qualified volunteers shall first be transferred, provided the employee retained is qualified to perform the required work. The teacher who volunteers to transfer shall provide his/her principal with a list of ten (10) schools that he/she

would prefer to transfer to. If two (2) or more such volunteers request the same school and a vacancy exists for which the employee is qualified, the most senior teacher shall be transferred to said school. If no vacancies exist at any of the ten (10) schools at the time an involuntary transfer is necessary, the voluntary teacher(s) shall remain at his/her school and an involuntary transfer shall take place pursuant to the provisions of this section.

a. The parties recognize that in certain career and technical subjects/disciplines, specific training and experience may be required to successfully teach a course. Therefore, when it becomes necessary to surplus a career and technical teacher, the surplussed teacher must demonstrate one (1) or more of the following before being placed in a vacant career and technical position:

1. Recency of teaching experience in the subject and/or program.
2. A license or documentation and/or recency of business/industry work experience necessary to meet the program needs.

b. If a surplussed teacher cannot meet the criteria listed above, the employee will be placed in a non-career and technical (excluding dropout prevention) class if said employee has another area on his/her certification. If the employee does not have a non-career and technical area on his/her certification, the employee may:

1. Placed by the District as a replacement teacher.
2. Become retrained and add a new area to his/her certification by taking a bachelor's level Florida Subject Area exam, if eligible.

All teachers/bargaining unit members are grouped in the following order:

- within their subject/program/elementary schools (K-5);
- type of contract (PSC, AC, PC, etc.); and then
- seniority order.

The least senior teacher will be identified as the involuntary transfer and complete the information listed below in #3. Position Assistance.

3. **Position Assistance:** When an involuntary transfer is required, the District shall provide assistance in finding a new position which the employee would prefer to accept. Employee(s) shall provide his/her principal and the Superintendent's designee with a list of ten (10) schools in the county to which they would prefer to be transferred. The employee shall review the list of vacancies that are available on the District's on-line application system. If no position exists, the employee shall be transferred to an available position. Those schools where special programs (i.e., SIG) exist shall be exempt from receiving involuntarily transferred teachers when both parties agree to the program terms through a Memorandum of Understanding (MOU).
 4. **Assigned By Seniority:** In filling vacancies, qualified employees who are being involuntarily transferred shall be assigned by seniority before assignments are made for new employees and for employees seeking voluntary transfers, except during the early transfer window.

F. PROCEDURES TO FILL VACANCIES AT NEW SCHOOLS

1. The Superintendent will determine the number of total anticipated vacancies at the new schools. Vacancies will be categorized by subject areas, i.e., math, science, elementary education, early childhood education, art, music, guidance, etc.
2. Chief School Performance & Accountability Officer will inform the Chief Human Resources & Equity Officer of the number of teachers from feeder schools that will need to be transferred.
3. Principals at new elementary schools will be permitted to advertise districtwide and select Grade Level Chairpersons, Media Specialist, ESE Specialist, and a School Counselor, immediately to assist in the opening of the new school. At new middle schools and new high schools, the principal may hire the Department Heads and or Team Leaders, Media Specialists, ESE Specialists, Athletic Director and Guidance Director.
4. The principal of the feeder school(s) shall notify staff of the necessity to reduce personnel. At the school, the entire staff is notified in writing of reduction as per Article Twenty-Five of the contract. The principal notifies staff of areas where reduction will occur (i.e., number of elementary, early childhood education). Instructional Staffing will notify teachers at the feeder school who are on a Board approved leave of the necessity to reduce personnel. They will be given an opportunity to complete a transfer request form.
5. The reduction of students from feeder schools determines the minimum number of positions available for transferring teachers from the feeder schools by using a ratio of thirty (30) to one (1) and/or appropriate ESE ratios.
6. Vacancy lists will be made available to those employees at the feeder schools.
7. Employees may complete a voluntary transfer form listing up to ten (10) schools and submit it to their principal by April 15th or forty-five (45) days prior to the anticipated opening after the commencement of the regular school calendar. If more feeder school employees volunteer to transfer to a new school than the number of positions created by the reduction of students from feeder schools, sixty percent (60%) of the positions from a feeder school will be filled by seniority and the principal will interview and select employees for the remainder of the positions. If fewer

employees apply to transfer than there are vacancies, all employees will be transferred to the new school(s).

8. After voluntary transfers have been exhausted at the feeder school, involuntary transfers will take place at the time the District processes involuntary transfers districtwide. Involuntary transfers shall be handled at the sending (feeder) schools pursuant to the provision in Article Twenty-Five, Section D of this Agreement. Principals of schools may retain employees identified in this provision for the curricular and co-curricular activities pursuant to Article Twenty-Five. Annual Contract employees who hold such provisions and who are recommended for employment for the next school year shall remain at the schools.
9. Attempt will be made to keep employees at the same level, i.e., early childhood education, elementary, art, music, physical education, etc.
10. A printout of seniority and certification school-wide will be available at all feeder schools for seven (7) workdays prior to the deadline for voluntary transfer forms.
11. New employees to the District will not be hired in applicable vacancies until placement of all involuntarily transferred employees have been made.

If more than one (1) employee with dual certification who is to be laid off qualifies for a District vacancy, then the job vacancy shall be offered to the most senior employee as defined in this contract.
4. If layoffs are to occur, a seniority list in accordance with this Article shall be prepared by the District and a copy thereof made available to the union.

B. Recall:

1. Employees will be recalled to the same subject area/program they were teaching at the time of their layoff in reverse order of layoff when a vacancy occurs.

2. Each employee on layoff shall be required to provide the District Human Resources & Equity office in writing with a current address to which a letter of recall may be sent.
 3. If a recall opportunity exists, a letter shall be mailed to the employee, certified mail, return receipt requested.  5. An employee who has been laid off shall maintain recall rights for twenty-four (24) months from the date of layoff or until he/she refuses a recall opportunity, fails to respond to a recall letter, submits a resignation, or accepts employment in another school District, whichever is less.
- C. An employee who has started his/her sixth year of service and who will qualify for retirement by the end of that year shall be permitted to complete the school year so as to acquire the necessary service to become vested in the retirement system.
- D. No new or substitute appointments may be made while there are laid off employees available who are qualified to fill the vacancies.

In the event that a BTU steward has not signed the grievance, a copy of the grievance shall be provided to the BTU immediately upon the filing of the grievance.

STEP I

The grievant may submit to the immediate supervisor a copy of the grievance form. Within five (5) working days of receipt of the grievance, the immediate supervisor shall meet with the grievant and/or the BTU in

an effort to resolve the grievance. The immediate supervisor shall indicate the disposition of the grievance in writing within five (5) working days after such meeting and shall furnish a copy thereof to the BTU.

STEP II

If the grievant or BTU is not satisfied with the disposition of the grievance, or if no disposition has been made within the specified time limit, the grievance shall be submitted to the Superintendent within ten (10) working days of the disposition, or expiration of the time limit. Within twelve (12) working days of receipt of the grievance, the Superintendent shall meet with the grievant and/or the BTU and shall indicate the disposition of the grievance in writing to the grievant and/or BTU within five (5) days of such a meeting.

STEP III

If the grievant is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the specified time limit, the grievance may be submitted by the BTU to arbitration before an impartial arbitrator within fifteen (15) working days of the date of the disposition at Step II, or the expiration of the time limit. If the parties cannot agree as to the arbitrator within five (5) working days from the notification date that arbitration will be pursued, the BTU will contact the Employee & Labor Relations Department staff one final time for the purpose of attempting to reach agreement prior to requesting the AAA or FMCS to select an arbitrator in accordance with their rules. The arbitrator shall be selected by the American Arbitration Association or the Federal Mediation and Conciliation Service in accordance with their rules, which rules must likewise govern the arbitration proceedings. The arbitrator shall limit his/her decision to the application and interpretation of this Agreement and shall have no power to amend, modify, nullify, alter, and to, or subtract from the terms of this Agreement. The Superintendent and the BTU shall not be permitted to assert in such arbitration proceedings any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.

E. **Cost of Arbitration**

If the arbitrator sustains the position of the grievant, the fees and expenses of the arbitrator, including AAA or FMCS filing fees, shall be paid by the District. However, if the arbitrator sustains the District's position, all fees and expenses shall be paid by the grievant or the BTU. If the decision issued by the arbitrator is not the one requested by either

party, the arbitrator shall determine the distribution of his/her fees between the parties. Each party shall be responsible for any other expense it chooses to incur. Employees required to testify will be made available without loss of pay; however, whenever possible, they will be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant(s). In group grievances, the group of employees shall be represented by the BTU and one member of the group.

- F. **Time Limits:** The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 1st of any year and strict adherence to the time limits may result in hardship to any party, the parties shall use their best efforts to process such grievances prior to the end of the school term or as soon thereafter as possible. Whenever illness or other incapacity of either party or its representatives prevents attendance at a grievance meeting, the time limits shall be extended to such time that such person(s) can be present. When such grievance meetings and conferences are held during school hours, all employees whose presence is required shall be excused, without loss of pay or accumulated leave, for that purpose.
- G. **Adjustment:** Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this Agreement.
- H. **Reprisal to Employees:** All employees will be entitled to fair, reasonable and equitable treatment in the processing of grievances. No reprisals of any kind will be made by the District or its representative or any member of the administration against any bargaining unit member(s) in the grievance procedure by reason of such participation. All documents, grievance forms, appendix, communications, and records dealing with the processing of a grievance, shall be filed separately from the personnel files of any party in interest, including final disposition.

Notwithstanding, the expiration of this Agreement, any claim or grievance arising thereunder may be processed through the grievance procedure until resolution.

- I. **Appeal:** If the Board takes any actions as contained in Florida Statutes, Section 1012.33, against a bargaining unit member, said unit member(s) shall be entitled to those appeal rights granted under Section 1012.33. The parties agree that affected employees may not grieve nor arbitrate charges/actions contained in Florida Statutes, Section 1012.33 under Article Thirty-Four of this Agreement, nor any other applicable arbitration statutes.

- J. **Waiver:** If the BTU waives its right to process a grievance to arbitration because the affected employee is not a dues-paying member of the union, the employee may carry the case forward but he/she may be responsible for all arbitration costs pursuant to the provisions in Section E above. Under such circumstances, the BTU shall not be responsible for arbitration costs associated with the specific grievances.

- K. **Expedited Arbitration:** On a case-by-case basis, the parties may mutually agree to utilize an expedited arbitration procedure. The parties shall select the arbitrator through lists furnished by American Arbitration Association and the hearing shall be conducted under their rules and regulations for expedited arbitration.

**ARTICLE THIRTY-FIVE
INCLUSION**

- A. **Training Plan:** When the affected school's IEP Committee recommends placement in a regular education classroom for a student with a severe disability who is already attending a Broward County school, a training plan shall be developed by the receiving school, with the input of the sending school staff and the receiving teachers, prior to the student attending the regular classroom. Health and Safety training components of the plan will be completed prior to the student's placement.

- B. **New Student to District:** When a student with a severe disability with an IEP that includes placement in a regular class transfers to Broward County from another county or state, a training plan shall be developed by the receiving school, with the input of the receiving teachers, no later than ten (10) days after the first day of the student's attendance in a District school. Health and Safety training components of the plan will be completed prior to the student's placement.

- C. **Students Placed With Volunteer Teachers:** Recognizing that special needs students who are placed into the regular school program are more likely to be successful when the teacher receiving the student has volunteered for the assignment, the District shall seek teacher volunteers for the Inclusion program.

**ARTICLE THIRTY-SIX
TERM OF AGREEMENT**

- A. This Agreement shall be effective as of June 30, 2022, and shall remain in effect through June 29, 2025.

For the 2023-2024, 2024-2025 school years, either party is entitled to open the contract for the purpose of negotiating insurance, salary and economic increases, and up to two additional articles. Referendum Funds are not subject to a reopener.

~~However, the parties agree to annually negotiate the distribution of no less than 66.67% of Referendum Funds to eligible employees in the BTU Education Professionals bargaining unit and shall memorialize the agreed upon distributions in a memorandum of understanding.~~

- B. **Commencement of Negotiations:** No later than June 1st, of each contract year, either party may require, by written notice to the other, to commence negotiations.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY, FLORIDA
AND THE BROWARD TEACHERS UNION**

This Memorandum of Understanding is made on this 18th day of January 2019, by and between The School Board of Broward County (SBBC) and the Broward Teachers Union-Education Professionals (BTU-EP).

Purpose:

The purpose of this Memorandum of Understanding is to memorialize the parties understanding and agreement regarding the compliance with Florida Statute, including, but not limited to F.S. Section 1001.42(21) that requires the School Board to declare an educational emergency for all schools receiving a grade of "D" or "F" and further provides for the immediate implementation of turnaround plans ("TOP") for approval by the state board. In addition, the MOU is to address the selection, placement, and expectations of instructional personnel and to provide principals with the autonomy described in F.S. Section 1012.28(8) as planning is a critical strategy necessary to improve student achievement.

Scope:

WHEREAS, prior to the start of the school year, the Florida Department of Education notifies each school district if any of its schools have been categorized as a Differentiated Accountability ("DA") school. Once a school is assigned a grade that qualifies it as a DA School, typically in July of each year, a BCPS school may automatically be classified in one of the following two categories for the school year immediately following the assignment of the school grade:

- A. **Tier 1- Comprehensive Support and Improvement - Cycle 1 (CSI):** A school receives two consecutive grades of "D," a grade of "F," or a graduation rate of 67 percent or less. Submission of Turnaround Plan (TOP) is required, (this is a FLDOE DA designation);
- B. **Tier 2 - Comprehensive Support and Improvement - Cycle 2 or 3 (CSI):** A school receives two consecutive grades of "D," a grade of "F," or a graduation rate of 67 percent or less for the third year in a row. School is required to choose one of three options: Closure, Charter, or Outside Entity/ External Operator. Chancellor will conduct an Instructional Review, (this is a FLDOE DA designation);

WHEREAS, § 1008.33(4)(a), Fla. Stat., (and as amended by House Bill 7069), requires that in the first full school year after a school initially earns two consecutive grades of "D" or a grade of "F," the school district must immediately implement intervention and support strategies; and, by September 1, provide the FLDOE with a memorandum of understanding negotiated required to facilitate those support strategies.

WHEREAS, the State of Florida requires the parties to enter into this Agreement to fulfill their obligations to support the District's DA schools.

NOW THEREFORE, it is agreed as follows:

Section 1. Financial Incentives for Teachers to Work at DA Schools:

The parties jointly desire to further enhance the educational programs available at the District's DA schools for the benefit of the attending students.

With those principles in mind, the District already supports DA Schools with additional resources made available through funding from sources such as Title I, TIF funds, SIG grants and the General Fund. Teachers at some DA Schools already receive compensation for an extended work day because the School is designated as one of the lowest 300 Schools. In addition to all of those existing resources and support, the Administration/Principals at each DA School have submitted applications for additional funding for additional resources, support and/or teacher incentives to assist with funding of the initiatives set forth in this Memorandum of Understanding (MOU).

Section 2. Article 5-Conditions of Employment - shall be amended as it relates to DA Schools to add the following:

- A. Planning Days. In addition to the ten (10) Planning Days currently built into the teacher calendar, DA schools may have an additional week of staff development prior to the contracted starting day for teachers. Teachers who attend will receive an hourly stipend at the rate of the teacher's hourly rate of pay.
- B. Professional Development Committee. With regard to DA schools Article 5 section L-5 of the collective bargaining agreement shall be amended to read in its entirety as follows:

A joint school committee comprised of an equal number of SAC Committee members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation. Nothing contained herein is intended to preclude the Principal of each of the Tier schools from assessing the professional development needs of teachers, recommending additional professional development and otherwise performing the duties and responsibilities of a school Principal under F.S. Sections 1001.54 and 1012.28.

- C. Section S-Lessons Plans. Article 5, Section S Lesson Plans shall be amended as it relates to DA Schools to read in its entirety as follows:

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be unreasonably complex. Documentation of the incorporation of Florida State Standards and teaching strategies required by law, board policy or regulation are part of daily lesson plans. PLCs' should be used for educators to learn from one another on how to improve student outcomes. The goals of the PLC will be determined by consensus of the PLC members.

PLCs serve two broad purposes: 1) improving the skills and knowledge of educators through collaborative study, expertise exchange, and professional dialogue, and 2) improving the educational aspirations, achievement, and attainment for students through stronger leadership and teaching.

2. **Model PLC's.** By no later than June 15 of each school year, the Broward Teacher's Union ("BTU") shall notify the District's Office of Service Quality of two examples of exemplary PLC's from the following groups: elementary, middle, high, center schools, and district support departments. The Office of Service Quality, in consultation with BTU, will use those examples to develop elements of acceptable PLC models for the next school year.

Any additional time spent for PLCs, outside of the attached chart will be considered voluntary and at the sole discretion of the teacher.

6. **In-Service Points.** A PLC *may* qualify for Professional Development (“PD”) in-service points when it has been submitted to and approved by the Department of Professional Development Standards and Support. In addition, the awarding of in-service points is a District process outlined in the Board approved BCPS Professional Learning System. PLCs may or may not be part of the 24 hours of professional development time.
7. **Monitoring.** The District Office of Service Quality shall monitor each school’s compliance with the PLC models and may investigate either on its own initiative or in response to a BTU concern. Failure of a school to adhere to PLC model requirements may result in retraining of school leadership and/or suspension of PLC’s at that school.

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE SCHOOL BOARD OF BROWARD COUNTY,
FLORIDA, AND THE BROWARD TEACHERS UNION**

This Memorandum of Understanding (MOU) is made on this 17th day of Nov 2023, by and between The School Board of Broward County, Florida (SBBC) and the Broward Teachers Union- Education Professionals (BTU-EP).

Purpose:

The purpose of this Memorandum of Understanding is to memorialize the parties' understanding and agreement regarding the compliance with Florida Statute, including, but not limited to F.S. Section 1001.42(21) that requires the School Board to declare an educational emergency for all schools receiving a grade of "D" or "F" and further provides for the immediate implementation of Turnaround Plans ("TOP") for approval by the State Board. In addition, the MOU is to address the selection, placement, and expectations of instructional personnel and to provide principals with the autonomy described in F.S. Section 1012.28(8) as planning is a critical strategy necessary to improve student achievement.

Scope:

WHEREAS, prior to the start of the school year, the Florida Department of Education notifies each school district if any of its schools have been categorized as a School Improvement ("SI") school. Once a school is assigned a grade that qualifies it as a SI School, typically in July of each year, a Broward County Public Schools (BCPS) school may automatically be classified in one of the following two categories for the school year immediately following the assignment of the school grade:

- A. **Comprehensive Support and Improvement - (CS&I):** Any school that earns a grade of "D" or "F" or any school that has a graduation rate of sixty-seven (67%) percent or less in the most recently released school grades pursuant to rule GA-1.09981, F.A.C., School and District Accountability.
- B. **SI Tiers of Support.** All SI schools are in need of support and intervention from the school district and the FLDOE and are provided this within the context of a three-tiered system.

Tier 1 SI: Any school that earns a single grade of "D" or has a graduation rate of sixty-seven (67%) percent or less.

Tier 2 SI: Any school that earns a single grade of "F" or a school that earns consecutive low-performing grades and is in the first cycle of turnaround. Submission of Turnaround Plan (TOP) is required.

Tier 3 SI: Any school that has completed one or more cycles of turnaround and has not improved its grade to at least a "C." Submission of Turnaround Plan (TOP) is required.

WHEREAS, §1008.33(4)(a), Fla. Stat., (and as amended by House Bill 7069), requires that in the first full school year after a school initially earns two consecutive grades of "D" or a grade of "F," the school district must immediately implement intervention and support strategies; and, by September 1, provide the FLDOE with a MOU negotiated required to facilitate those support strategies.

WHEREAS, the State of Florida requires the parties to enter into this Agreement to fulfill their obligations to support the District's SI schools.

NOW THEREFORE, it is agreed as follows:

Section 1.

Financial Incentives for Teachers to Work at SI Schools:

The parties jointly desire to further enhance the educational programs available at the District's SI schools for the benefit of the attending students.

With those principles in mind, the District already supports SI Schools with additional resources made available through grants and general funds. Teachers at some SI Schools already receive compensation for student performance bonuses and stipends for professional development and curriculum planning. In addition to all those existing resources and support, the Administration/Principals at each SI School have submitted applications for additional funding for additional resources, support, and/or teacher incentives to assist with funding of the initiatives set forth in this MOU.

Section 2.

Article 5: Conditions of Employment – shall be amended as follows:

L. Teacher Planning Days:

1. **Planning Day:** The school calendar shall contain ten (10) planning days throughout each school year. Five (5) of these days shall occur at the beginning of the school year. On all planning days, teachers shall have one (1) hour for lunch.

In addition to the ten (10) Planning Days currently built into the teacher calendar, SI schools may have an additional week of staff development prior to the contracted starting day for teachers. Teachers who attend will receive an hourly stipend at the rate of the teacher's hourly rate of pay.

5. A joint school committee comprised of an equal number of SAC Committee Members appointed by the principal and the Faculty Council shall be established as the School Professional Development Team. Working collaboratively, they shall conduct an evaluation of the effectiveness of the current professional development activities. They shall examine the utilization of the total time for professional development during the two (2) additional early release days (excluding the four (4) early release days devoted to grades) and the ten (10) planning days for the school year, exclusive of the time allocated for individual teacher planning and preparation. **Nothing contained herein is intended to preclude the principal of each of the Tier schools from assessing the professional development needs of teachers, recommending additional professional development, and otherwise performing the duties and responsibilities of a school Principal under F.S. Sections 1001.54 and 1012.28.**

Based on recommendations from the Professional Development Committee, teachers in Tier schools will be required to participate in professional learning. The professional learning may include but not be limited to envision Math, Benchmark Advance, culture and climate, teacher collaborative sessions, engagement strategies, lesson planning, TLAC strategies, and/or classroom management.

S Lesson Plans:

The primary purpose of lesson plans is to guide instruction. The format for daily lesson plans should provide for ease of use by the teacher or substitute and should not be

unreasonably complex. Documentation of the incorporation of Florida State Standards and teaching strategies required by law, board policy, or regulation are part of daily lesson plans. **As it relates to SI Schools, Lesson plans must be printed and available in advance of the lesson, shall be available during instruction, and shall include the standard, teaching strategy/activity, and differentiated plans for ESE and ELL learners. As it relates to SI Schools, the parties acknowledge that such plans may be modified based on the classroom and/or student needs.**

Section 3.

Article 10: Employee Preparation, Conference and Planning shall be amended as follows:

- B. **Elementary Preparation/Conference Time:** Elementary school employees shall have a preparation/conference/planning time totaling not less than sixty (60) minutes per day, excluding relief periods. A maximum of one hundred twenty (120) minutes per calendar month shall be available for use at the principal's discretion. **As it relates to SI Schools, A maximum of one hundred eighty (180) minutes per calendar month shall be available for use at the principal's discretion.**
- C. **Secondary:** High school and middle school employees shall be given one (1) uninterrupted preparation/conference period per day of the same length as the regular class period. A maximum of thirty (30) minutes per week at the high school level and a maximum of thirty (30) minutes per week at the middle school level shall be available for use at the principal's discretion. **As it relates to SI Schools, subject to the total school schedule, a maximum of forty-five (45) minutes per week at the high school level and a maximum of forty-five (45) minutes per week at the middle school level shall be available for use at the principal's discretion.** Every effort shall be made to provide no more than three (3) different course preparations per day.
- D. **Block Schedule:** Middle school and high school employees on a block schedule shall have a preparation/conference time totaling not less than ninety (90) minutes per day, excluding relief periods. A maximum of thirty (30) minutes per week shall be available for use at the principal's discretion. **A maximum of forty-five (45) minutes per week shall be available for use at the principal's discretion.**

Section 4.

Article 25: Reassignment & Transfers shall be amended as follows:

- B.
 - 6. **As it relates to SI Schools, prior to the date established for the voluntary or involuntary transfer deadlines, teachers may notify their principal of their decision to transfer out of the SI School for the following year. A person who is transferred under this provision may participate in the voluntary or involuntary transfer periods. If the teacher does not find a position, the District will place them prior to the start of the new school year.**
- C.
 - 1. Transfer applications shall be provided by the District and may be submitted any time after January 1st through June 30th. Such applications shall remain active until the following December 31st. Applicants may request and specifically list ten (10) schools to which they are interested in transferring.

However, applications to transfer into a SI School shall be provided by the District and may be submitted any time at any tier school during the school year. Such applications shall remain active while the school remains in SI status. Once an instructional staff is transferred into a SI School, no voluntary transfer out of the school will be permitted until the end of the school year.

Acknowledgment, Signatures, and Dates:

This represents the complete understanding of the parties as it relates to the SI State Mandate under Florida Statute. This agreement reached regarding the said BTU-EP, wherever applicable, amends the parties' collective bargaining agreement. This Agreement sets forth the entire agreement between the parties hereto and shall supersede any and all prior agreements or understandings between the parties. This Agreement may be executed in counterparts, and each counterpart will have the effect of an original. Electronic and facsimile copies will be considered originals for all purposes, including enforcement. This Agreement may not be amended except by a written agreement signed by the parties.
