Substitutes Needed!!

Since August 1, 2014, **Little Rock School District** has been utilizing the services of **Professional Contract Management, Inc (PCMI)** to provide our substitutes. They employ and manage the placement of substitutes in Little Rock School District through the automation of the **WillSub** system. You will interact with PCMI as your employer for all matters related to the processes of human resources and payroll, and will also have the support of Little Rock School District building administration while on assignment.

I would like to take this opportunity to thank you for your interest in serving our community as a substitute for Little Rock School District. This assists in our goal to ensure our children are receiving a quality education in a safe, comfortable, and effective learning environment.

To become a **PCMI** substitute employee click the link below and start your application process.
