## Teachers > RED WAGON (Induction Program)

**Rising to Excellence is the Destination:**

**Working Together to Accelerate the Growth & Ongoing Development of New Teachers**

**... a comprehensive program designed to provide support and development for Northside teachers new to the profession.**

**The key elements include mentors, campus-based support, campus mentoring advisors, and district-level support. The program objective is to develop and retain highly-qualified teachers to promote maximum student academic achievement.**

Some days we skip along, pulling our wagons with great confidence – so full of energy that the load seems light.

Some days the load seems heavy and we need someone to help us pull our wagons over the bumps in the road.

Some days we are just tired. We sit in our wagons and let someone else pull us along for a while.

And some days it's kind of nice to share our little red wagons with a friend...

As you think about yesterday, and make plans for tomorrow, keep in mind that there will be times when you can help pull someone's little red wagon for a while. After all, helping to pull each other's little red wagon is what makes it possible to face the challenges the day brings.
